

Marine Committee Notice to Members

Neptune's Bellows – Deception Island May 2021

After discussion in the marine committee, *cruise only* operators under the definition of IAATO's guidelines (more than 500 passengers and do not make landings) will ensure that the vessels that fall under this category will not enter the caldera at Deception Island via Neptune's Bellows.

Furthermore, *cruise only* operators will commit to entering the above requirement not to enter Neptune's Bellows in their safety management system.
