

Request for health information from visiting vessels and yachts

- Health Declaration -

Issued by the Government of South Georgia & the South Sandwich Islands (GSGSSI)

The GSGSSI has updated its Health Declaration in response to the COVID-19 pandemic.

GSGSSI is committed to ensure the safety of visitors and personnel based on the island.

The GSGSSI request a series of declarations are completed by the Captain or onboard Doctor.

Declaration A Is to be completed and submitted on entry into the South Georgia & the South Sandwich Islands Maritime Zone (SGSSI MZ)

Declaration B Is to be completed and submitted on entry into Cumberland Bay, before arrival to Grytviken.

Declaration C Is to be completed 14 days after embarkation if any person onboard has since tested positive, or suspected of having COVID-19.

Declaration A, B and C each have to be returned to the Government Officers at King Edward Point (KEP) on go@gov.gs, copy admin@gov.gs. An assessment will be made of the information provided to determine if and where landings are permitted.

Failure to answer the questions to the best of your knowledge, honestly and accurately will result in permission to visit the Territory being revoked and may jeopardise future visit applications.

We appreciate your co-operation in these unprecedented times.
